### Additional costs

We are committed to offering you value for money and ensuring there are no hidden costs while you are studying with us, therefore we have listed below any additional costs you may incur that are not covered by your tuition fee:

1. Textbooks, general stationery and other supplies. Our award-winning library is stocked with a large range of textbooks and online resources, free of charge. The Students' Union shops stock a wide range of stationery supplies on both campuses
2. Accommodation and living costs. Please visit our website for more information at [www.bournemouth.ac.uk/study/postgraduate/fees-funding/living-expenses](http://www.bournemouth.ac.uk/study/postgraduate/fees-funding/living-expenses)
3. Optional fieldwork travel, outdoor wear and footwear (where applicable)
4. Any expenses relating to placements eg. travel, specialist clothing etc.

While all aspects of the programme, including required field trips, are included in the fee, additional, optional or extra curricula activities may be available for which a student contribution is required.

### Repeat units

If you need to repeat one or more units during the course of your studies (with or without attendance) the pricing will be pro-rata of the full-time fee.

## **Deposits**

International (non-EU) students need to pay a non-refundable £2,000 deposit to secure their place on a postgraduate course. You will need to pay your deposit by the date stated in your offer letter. The remainder of your fee will be payable on registration/enrolment. There are two exceptions to the non-refundable rule on the deposit:

- You fail to meet the academic or English requirements of your offer
- You are refused a visa to enter the UK, provided the reason for the refusal is not a fraudulent application.

## **Financial help available from BU**

We offer a range of scholarships and bursaries to eligible students who are beginning their studies at BU. Please visit [www.bournemouth.ac.uk/funding](http://www.bournemouth.ac.uk/funding) for details on living costs, budgeting and paying your tuition fees.
